Navigate through a free digital learning environment to better understand how geopolitical trends and events affect your company's operations and investments. Get access to an introductory overview of five complementary professional development modules as well as to a dynamic and collaborative leadership community.

Course focus:

As a business leader participating in this blended learning opportunity, you will be provided with simple concepts that will allow you to understand and navigate the turbulent dynamics of the global environment.

You will improve the quality of your risk assessment, go beyond newspaper headlines, and develop a dynamic understanding of geopolitics and how it affects your businesses.

- MODULE 1: Strategic Foresight: Tools and Techniques for Planning in Uncertain Times
- MODULE 2: Crisis Management & Decision-Making: Skills and Knowledge to Manage the Unexpected.
- MODULE 3: Geopolitical Analytical Skills for Business Leaders: Be Prepared to Cope with Geopolitical Uncertainty
- MODULE 4: Business Integrity & Corruption: Facing Integrity-Based Choices
- MODULE 5: Disruptive Technologies & Geopolitics: Tools to Analyse Emerging Technologies and their Impacts

COURSE BENEFITS

The blended learning course enables you to personalise your learning journey to build specific competencies to enhance your individual and business performance. Through an initial online discovery, which is self-paced and free, you explore five skill sets that are at the core of coping with geopolitical risks.

The course enables you to:

- grasp the importance of geopolitical and technological developments on business practices and industries
- move from a static to a dynamic understanding of international affairs
- improve your foresight about future business opportunities but also about potential risks to your own business
- use different tools necessary to conduct risk management in the 21st century
